

## WEDDINGS @ PAULANER - TESTIMONIALS

### T&M

"We would like to extend our heartfelt gratitude to the team on the wonderful session that was organised on 16th July. ALL of our guests were very pleased and really enjoyed themselves on the food, the drinks, the services and the atmosphere that the team had helped curated on that night. Even for some of our elderly relatives who come from very traditional Chinese roots, they felt very comfortable with the whole flow of event on that night.

I was just sharing with Tanja and Chris on Sunday afternoon that deep down I always thought that Paulaner would be a wonderful venue for a wedding party, and I was not disappointed on that night. The service crew was also very professional and very handy on that night, kudos to them. The crew led by Walden also went above and beyond what was initially agreed and were very flexible in accommodating some lapse on my end, ensuring that all guests' requests were well taken care of.

Special mention has to go to Chris who has given us so much guidance and patience during the planning of this wedding party. We would not have achieved this without her.

No words can fully express both me and M's gratitude to the team and we would not spare a second thought to recommend Paulaner as a wedding venue for any new couples."

### M&M

"Paulaner Bräuhaus exceeded all our expectations and provided us with a wedding lunch experience. Our heartfelt gratitude goes to the entire team for their dedication and hard work, ensuring that our wedding lunch was an absolute success. If you're searching for an exceptional venue to host your special event, we wholeheartedly recommend Paulaner Bräuhaus.

Chris, the event manager, was a true gem. Her genuine warmth and attentiveness to our needs made the entire planning process stress-free and enjoyable. We truly felt like our wedding lunch was in the best hands possible, and her prompt replies and willingness to accommodate our requests filled us with confidence.

The 4-hour free-flow beer package was a big hit among our guests, and we were pleasantly surprised by how fresh and perfectly chilled the beers throughout the event. The service staff was remarkable, ensuring that everyone had a fantastic time.

Let's talk about the food - it was outstanding! The beef main course was a standout for me. The tender, juicy beef paired with the delectable sides left a lasting impression on the taste buds. And the dessert buffet! With such an array of delectable treats and indulgent sweets, it was a challenge to pick a favorite. It was the perfect ending to our celebration. "

The Paulaner Team Singapore is very proud to be part of the happiest day in life of all our wedding couples! All the best for you!
